File 169-77-5, Ordinance No.

(Amends Sections 1077 and 1079, adds Section 1079.5, Police Code; Repeals Section 128.1, adds Section 128.1, Part III.)

Supervisor Francois stated that he was aware that Supervisor Kopp and Gonzales and he were going to propose amendments to be made today. However, rather than having all the amendments before the Board he would indicate his proposal, as follows: He would offer an amendment to make the permits issued non-transferable for five years except upon a showing of good cause; he would restore the renting or leasing provisions; and he would restore the Code to allow the Chief of Police, with the concurrence of the Police Commission, to grant permission to keep a cab off the street for 90 days; and, finally, to restore the \$7,500.00 fee, since there has been some concern about financial arrangements.

### **Appointment of President Pro Tempore**

At the request of the President, Supervisor Pelosi assumed the Chair in order that the President might participate in the debate from the floor.

### **Request Granted**

Supervisor Kopp distributed to the members copies of his proposed amendment of the whole and outlined its provisions. In conclusion he requested that the communication be directed to the Attorney General of the State requesting his written opinion on whether the existing provisions of the Police Code relating to transferability of permits and licenses for operation of motor vehicles for hire or his proposed amendment would violate state or federal anti-trust laws and, additionally, whether the proposed purchase of the assets of the former Yellow Cab Company by Yellow Checker and S/S Acquiring Cooperative from the receiver under the federal bankruptcy proceedings would appear to violate any state or federal anti-trust laws.

*No objection and Clerk directed to comply.*

(At this point an official court reporter arrived and proceeded to record the testimony.)

Supervisor Gonzales stated that he asked the City Attorney to draft an amendment to Supervisor Kopp's legislation which would grandfather in the permits that have existed for a number of years, to affect the transferability of permits after October 1, 1977.

Supervisor Kopp added that at the appropriate time he would introduce an amendment to grandfather in the old permits.

### **Appointment of President Pro Tempore**

request of the President, Supervisor von Beroldingen assumed the Chair.

### **Motion to Sit as Committee of the Whole**

Absent: Supervisor Molinari—1.

### **Board of Supervisors Sitting as a Committee of the Whole**

Upon questioning by the Chair, Deputy City Attorney Kenealey responded that he saw no legal objection to taking the testimony under oath if the Board wished to do so.

The following persons were granted the privilege of the floor and, responding to questions by Supervisors Barbagelata, Kopp, Feinstein, Francois, and Gonzales, testified under oath:

Harold S. Dobbs, Esq., representing Yellow Checker Associates

James Steele, General Manager S/S Acquiring Cab Cooperative

Stephen Tennis attorney for S/S Acquiring Cab Cooperative, testified without taking the oath.

(A verbatim record of the proceedings by the Court Reporter is on file under File 169-77-5.)

### Recess

The Committee of the Whole, at the hour of 6:00 p.m., recessed for dinner.

### Reconvention

The Board of Supervisors, sitting as a Committee of the Whole, reconvened at 8:25 p.m.

The roll was called and the following Supervisors were noted present:

Supervisors Barbagelata, Feinstein, Francois, Gonzales, Kopp, Lau, Molinari, Nelder, Tamaras, von Beroldingen—10.

Absent: Supervisor Pelosi—1.

Supervisor von Beroldingen presiding as President Pro Tempore.

Supervisor Pelosi noted present at 9:10 p.m.

At the request of Supervisor Kopp, Chief of Police Charles R. Gain was called upon to testify and, in accordance with the procedure adopted by the Board was sworn in by the Sergeant at Arms.

Supervisor Kopp requested that copies of the official Police Department file presented by Chief Gain regarding the applications for taxicab permits filed with the Police Department and the action of the Police Commission on September 14 1977, be distributed to the Members of the Board.

Supervisor Kopp offered for the official Board file the following copies:

Letter dated August 25, 1977, from Chief Gain to Mr. Robert M. Mateer, Receiver, Yellow Cab Company, San Diego;

Letter dated September 12, 1977, from Supervisor Kopp to Chief Gain;

Letter dated September 19, 1977 from Chief Gain to Supervisor Kopp, with attached copy of letter dated December 10, 1976, from Michael L. Ohleyer, Esq., of the law firm of Titchell, Maltzman, Mark, Bass & Ohleyer, applying on behalf of Yellow Cab Company for a ninety-day extension of time for the Yellow Cab permits.

Chief Gain responded to questioning by Supervisors Francois, Feinstein, Gonzales and Kopp concerning his decision to extend the taxicab permits based upon his finding of economic hardship.

Following Chief Gain's refusal to answer certain questions, Su-

pervisor Pelosi requested the City Attorney's advice on what questions the Chief was required to respond to.

Supervisor Kopp amplified that question to determine what the Board's powers of contempt are with respect to a department head.

Supervisor Francois asked if the City Attorney had advised the Chief of Police that he may select questions he will or will not answer.

Supervisor von Beroldingen questioned whether the Chief of Police had relied on the attorney-client privilege and if he had waived that privilege in answering questions.

Supervisor Barbagelata inquired if the City Attorney had advised the Chief of Police that he had the power and authority to be selective in answering questions; if the Chief is saying he has no obligation to the Board and can refuse to answer questions.

In response to the foregoing, Deputy City Attorney Steven Diaz responded that the City Attorney's office advised the Chief he had adequate grounds to grant the extension of time for the permits; however, the Chief was not advised that he may refuse to answer questions posed by the Board of Supervisors.

Supervisor Molinari, for the record, inquired of Deputy City Attorney Diaz if the Board was operating within its scope and authority under its powers of inquiry or if it was bordering on violating non-interference in governmental affairs as set forth in Charter Section 2.401.

Deputy City Attorney Diaz responded that the scope of this hearing was limited to immediate matters germane to the subject of the pending legislation.

Supervisor Kopp countered that Charter Section 2.400 was entirely germane, in his opinion.

The following persons were granted privilege of the floor and responded to questioning by members of the Board:

Mr. Robert M. Mateer, Receiver of Yellow Cab Company  
David M. Wells, Esq., attorney, of the law firm of Graham & James.

### **Recess and Reconvention**

3. That each tenant would be provided with moving costs, to be determined by Central Relocation Office;

File 93-77-9

(Appeal filed November 7, 1977.)

(DPW advises there are insufficient signatures to qualify appeal.)
